# EPC-Net Model Weight Request Form

Weights trained on public data. Released after approval by the corresponding authors.

## 1. Applicant

Name

Institution

E-mail

Supervisor / PI

## 2. Intended use

## 3. I agree that

- the weights are used for non-commercial research only, not for patient care;
- the weights and download links are not shared with others;
- publications using the weights cite the EPC-Net paper (doi:10.1016/j.bspc.2026.111465);
- access may be withdrawn, and the weights deleted on request, if these terms are not met.

## 4. Signature
